Custom Blue Pottery Name Plate Application

Specifications & Customization:

- Tile Dimensions: [2 x 2 inches].
- Base Material: Authentic, GI-tagged Blue Pottery made from pure quartz powder.
- Core Customization (The Letters): Individual alphabet tiles are curated to spell out an individual's name or a company's acronym (as seen in the example: 'CHETANYA').
- Separator Tiles: Integrated decorative tiles (e.g., the Blue Elephant, or event-specific logos) can be included as spacers.
- Final Application: Tiles are set into premium wooden frames, creating a permanent and personalized desk or wall accent.

Handcrafted Rose Quartz Wellness Memento

Every piece is carved from solid natural rose quartz stone to create a bespoke piece of functional art for the modern workspace.

The Wellness Profile: Benefits of Rose Quartz

- Professional Harmony: Often regarded as a stone of success, it fosters emotional clarity and goodwill in high-pressure environments.
- Corporate Wellness: Naturally attracts positivity, making it a powerful, calming addition to any executive desk.
- Aesthetic Balance: The soft, natural hues bring a sense of grounded peace to a modern workspace.

Bespoke Customization

- Precision Name Engraving: Using high-definition micro-engraving, the recipient's exact name is carved directly into the face of the natural stone.
